(2) If inirical harmonic relationships or intermodulation products develop at some later date, the Company will at its own expense, forthwith institute remedial measures satisfactory to the Superintendent to eliminate them and should such remedial measures not be effective, this agreement will terminate and the Company will forthwith remove the antenna and the radio-telephone repeater station from the tower.
5. Canada will, through the electrical power supply now available at the tower, supply to the Company a maximum of 200 volt ampere electric power as and when such power is available.

before them a report from the Minister of Veterans  
Affairs, representing:

That subsection (1) of section 23 of the Veterans' Land Act prescribes that when property acquired by the Director cannot or ought not be sold as to sale price or otherwise pursuant to sections 10, 11 or 20 of the Act, the Director may report the cost of such property and recommend another sale price or other terms of sale for the approval of the Governor in Council;

That The Director, The Veterans' Land Act is the registered owner of property described as that part of Lot I, Concession 3, Township of Graham, designated as Part I, Plan SR 2228 filed in the office of the Land Titles at Sudbury, District of Sudbury, Province of Ontario, containing an area of approximately 2,400 square feet;

That The Director, The Veterans' Land Act is the registered owner of part of Lot I, Concession 3, Township of Graham, District of Sudbury, Province of Ontario, containing an area of approximately 2 acres;

That, pursuant to subsection (1) of section 10 of the Veterans' Land Act, qualified veteran Maxwell William Ireland agreed to purchase the said 2 acre parcel of land;

That subsequent to obtaining title to the said 2 acre parcel of land it was discovered that the house encroached on property lying to the west;

That for purposes of clearing up the encroachment and ensuring that the buildings located on the property being purchased by veteran Maxwell William Ireland were within the boundaries of the property owned by The Director, The Veterans' Land Act, the aforesaid parcel of land containing 2,400 square feet was acquired pursuant to section 7 of the Act by the Director;

- 2 -

That the said veteran Maxwell William Ireland is unwilling to pay any portion of the purchase price of the additional parcel of land;

That since title to the said 2 acre parcel was sold to the veteran on the premise that the dwelling was within the lot lines and since there is no liability attributable to other than the Director, it is deemed advisable to sell the said additional parcel of land containing 2,400 square feet to veteran Maxwell William Ireland for the nominal consideration of \$1; and

That the cost to the Director of the said property is \$360.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to sub-section (1) of section 23 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve the sale to veteran Maxwell William Ireland of a property described as that part of Lot I, Concession 3, Township of Graham, designated as Part I, Plan SR 2228 filed in the office of the Land Titles at Sudbury, District of Sudbury, Province of Ontario, containing an area of approximately 2,400 square feet, for the nominal consideration of \$1.

## SCHEDULE

The Department of Transport administers three major wharves at Sept Iles, Quebec. As an indication of the importance of this harbour, it should be noted that the Iron Ore Company and Wabush Mines operate major ore loading docks in the harbour and total ores and other cargoes handled in 1968 exceeded 26 million tons, the highest tonnage of any harbour in Canada.

Recently with the power development at Churchill Falls (Labrador) there has been a major increase in shipping and flow of freight through the port including additional heavy tonnages of construction equipment and bulk materials for onward movement by rail to Churchill Falls. To assist in meeting these new developments, additional rail sidings, a second heavy lift derrick, new warehousing facilities, etc. have been provided on the wharves.

To ensure maximum utilization of the existing wharves, the Department has been working closely with local shipping interests in the integration and co-ordination of shipping and rail movements to avoid serious shipping tie-ups and congestion.

As the Iron Ore Company docks, derrick, railway and storage areas adjoin one of the main government wharves, and to ensure the most efficient use of joint facilities under unified control, the Department, a year or so ago, appointed the Company's Supervisor of Vessels as Wharfinger to control traffic with a Deputy Wharfinger named by the Department to deal with financial matters, collection of wharfage tolls and dues on vessels and goods using the government wharves. The Wharfinger is a salaried Company employee and receives no remuneration from the Department. The Deputy Wharfinger is paid out of the wharfage revenues on the standard commission basis and his commissions totalled \$9,600. in 1968/69.

With the continued expansion of traffic at the wharves complaints re delays, etc. have been received from shipping interests and present staffing arrangements are not adequate to deal with the situation. It is proposed therefore, pursuant to Section 6 of the Government Harbours and Piers Act, to appoint a seasonal assistant or Deputy Wharfinger at a remuneration of \$480.00 per month during the most active months of the shipping season, April 15 to December 15 annually - to be paid out of the wharf revenues at Sept Iles which totalled \$135,000.00 in 1968/69.

This seasonal appointee will require Grade 12 education or equivalent and would be employed on a 44 hour week to assist in the allocation of berths to vessels and co-ordination of usage of the docks with agents, shippers and receivers, preparation of timetables for expected vessels and cargoes and generally to assist the Wharfinger in the application of the Government Wharves Regulations and other related wharf duties as required. The Labourer rate at Sept Iles is reported to be \$3.30 per hour and the proposed rate of \$480.00 monthly for the Deputy Wharfinger therefore appears quite reasonable.

## Appendix "A"

### Special Capital Charge and Cost-Sharing for Project Sewers

The following analysis describes the cost-sharing arrangements for storm and sanitary sewers serving the Department of Transport Site.

a) Special Capital Charge:

This charge of 17¢ per square foot on the gross area of all new buildings is intended to finance:

- I) the construction of a sewage treatment plant;
- II) the separation of the combined sewer system.

Because we are using both the treatment plant and the separated down-stream sanitary sewer, these charges apply.

b) Project Sewers

It was considered desirable that the project area be serviced with deep sewers, i.e. below lowest basement level. To provide this type of service, it is necessary to construct a storm sewer outfall below the Rideau Canal locks and also, to connect the sanitary sewer to the interceptor below Sussex Drive. Our Cost-Benefit Analysis indicated that it would be less costly to provide deep sewers than to require exclusive basement water-proofing for buildings and truck tunnel as well as constructing a lift station. The extension of storm and sanitary sewers beyond the project boundary is economically advantageous to the Commission and results in a superior and more flexible design.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

His Excellency the Governor General in Council, on the recommendation of the Minister of Transport and the Treasury Board, is pleased hereby to authorize an amendment to the provisions of Order-in-Council P.C. 1965-34/1807 dated October 11, 1965, which authorized National Caterers Ltd. to lease a departmental building at Port Hardy Airport for the operation of a single men's barracks, in accordance with the attached schedule.

LESSEE: NATIONAL CATERERS LTD.

AIRPORT: Port Hardy, B.C.

LEASE: P.C. 1965-34/1807 dated October 11, 1965 authorized the Minister of Transport to enter into a lease with National Caterers Ltd. covering the Department's Building No. 3 for the operation of single men's barracks at a rental of \$5,000 per year plus 50% of all gross revenue in excess of \$22,500.

AUTHORITY: To make the following changes:

- (1) Extend the expiry date to April 30, 1969.
- (2) Change the rental to read \$5,000 per year.

- REMARKS:
- (1) The expiry date on P.C. 1965-34/1807 reads April 14, 1968. However, the company continued in occupancy of the building on a month-to-month basis until April 30, 1969.
  - (2) The rental of \$5,000 plus 50% of gross revenue in excess of \$22,500 was based on estimated operating costs. Because of the standard required for departmental employee accommodation the actual operating costs were in excess of the pre-established estimates. This resulted in annual losses by the company, therefore the reduction in rent is warranted.

of the Privy Council, approved by His Excellency the Governor  
General on the 13th August, 1969.

The Committee of the Privy Council have had  
before them a report from the Minister of Indian Affairs  
and Northern Development representing:

That the Widjitiwin Corporation, incorporated  
under the laws of Ontario, whose Board of Directors is  
comprised of three treaty Indians and two non-Indian Oblate  
Fathers, and has been operating a successful pulp cutting  
operation under timber licence from the Province of Ontario,  
has applied for a loan of \$10,000 for the purpose of  
operating capital for their pulp cutting operation;

That a chattel mortgage on the houses erected by  
the Corporation is held by Her Majesty as security for  
previous loans and this along with a promissory note will be  
held as security for the loan;

That the Widjitiwin Corporation has exhibited  
to the satisfaction of the Minister of Indian Affairs and  
Northern Development that it has the personnel and business  
management to run a sound economical business operation,  
that the granting of the loan will create further employment  
opportunities for Indians reducing welfare assistance, that  
any financial risk involved will be more than offset by the  
additional employment provided Indians, that there is every  
indication the pulpwood market will remain strong and that  
there is ample assurance the Corporation can continue to  
cut on a sustained yield for at least the next ten years;

That the Province of Ontario have found this to  
be a worthy project and have recently advanced to the  
Corporation a substantial sum of money to further the  
construction of homes which the Department of Indian Affairs  
and Northern Development originally started;

.....2

- 2 -

That the Widjitiwin Corporation has had two previous loans on which it has a satisfactory repayment record;

That pursuant to the authorization given in subsection (2) of section 69 of the Indian Act, the Governor in Council has made regulations to give effect to the powers described above, but that those regulations do not specifically authorize loans to others than Indians, although such is within the authority of the Governor in Council.

The Committee, therefore, on the recommendation of the Minister of Indian Affairs and Northern Development, pursuant to section 69(1)(c) of the Indian Act, advise that Your Excellency may be pleased to approve a loan in the amount of \$10,000 to the Widjitiwin Corporation for the purpose of operating capital for their pulp cutting operation.

of the Privy Council, approved by His Excellency the Governor  
General on the 13th August, 1969.

The Committee of the Privy Council, have had before them a report dated 31st July, 1969, from the Minister of Indian Affairs and Northern Development, representing:

That the lands described in the Schedule are public lands within the meaning of the Public Lands Grants Act;

That the said lands were inspected and appraised by an officer of the Soldier Settlement and Veterans' Land Act Branch of the Department of Veterans Affairs on the 14th day of August, 1967, and were valued at \$200, for sale purposes;

That the said valuation of \$200, was initially established in 1948, and was confirmed by periodic inspections during the interim period, and the costs of an up-to-date appraisal would be unwarranted under the circumstances;

That the Town of Dalhousie has offered to purchase the said lands for the sum of \$300, in order to erect a water reservoir servicing the local high school, and this offer is considered to be commensurate with the Federal Government's equity in the property;

That the said lands are not required for Federal Government purposes and there are no adverse claims, and such a sale would be in the public interest.

The Committee, therefore, on the recommendation of the Minister of Indian Affairs and Northern Development, advise that Your Excellency may be pleased, pursuant to the Public Lands Grants Act, to authorize the issue of Letters Patent granting the lands described in the Schedule hereto to the Town of Dalhousie for the sum of \$300.

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Supply and Services reports as follows:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Management of the Canadian National Railway Company advises as follows:

"That Government-owned vessels engaged in ferry services on the East Coast of Canada have been entrusted to the Canadian National Railway Company in respect of management and operation.

That it is expected that during the off seasons there will be a surplus of vessels in the said services and the Management of the company is of the opinion that it would be economical and in the public interest to charter the said vessels for use by shipping companies and others, in lieu of having vessels inactive and unproductive and, furthermore, that if the vessels were so chartered, complete with crews, long lay-offs in the off seasons would be eliminated."

LESSEE: REVENUE PROPERTIES CENTRAL DEVELOPMENTS LIMITED

AIRPORT: Montreal International

LEASE: No. 78452 dated August 31, 1966, granted by authority of Order-in-Council P.C. 1965-2049 of November 17, 1965 and amended by supplemental agreement dated April 7, 1967, covering 3,171,541 square feet of land, more or less, leased for commercial development to The Rubin Corporation Limited for a term of three years commencing February 1, 1966 at a rental of \$1.00 together with an option to lease the said land or any portion for a period of 50 years plus the unexpired portion of the three year term at the following rentals:

(a) Rent for 25 years plus unexpired portion of the option period:-

6% per annum of \$1.00 per square foot for land optioned in first year;

6% per annum of \$1.05 per square foot for land optioned in second year;

6% per annum of \$1.10 per square foot for land optioned in third year;

(b) Rent for next ten years:-

50% increase in rent;

(c) Rent for remaining 15 years:-

To be determined by the Minister and expressed by an Order of the Governor in Council.

AUTHORITY:

To enter into a supplemental agreement with Revenue Properties Central Developments Limited renewing Lease No. 78452 for a further term of two years, commencing February 1, 1969 at a rental of \$1.00 together with an option to lease heretofore unleased portions of the said land for a period of 50 years plus the unexpired portion of the two year term at the following rentals:

(a) Rent for 25 years plus unexpired portion of the extension to the option period:-

6% per annum of \$1.10 per square foot for land optioned in first year of the extension;

7% per annum of \$1.10 per square foot for land optioned in second year of the extension;

(b) Rent for next ten years:-

12% per annum of \$1.10 per square foot for land optioned in first year of the extension;

14% per annum of \$1.10 per square foot for land optioned in second year of the extension;

(c) Rent for remaining 15 years:-

18% per annum of \$1.10 per square foot for land optioned in first year of the extension;

21% per annum of \$1.10 per square foot for land optioned in second year of the extension.

REMARKS:

The Rubin Corporation Limited has changed its name, by Supplementary Letters Patent, to Revenue Properties Central Developments Limited. In the original three year term of the lease, the option to lease was exercised on approximately one-third of the available area which was leased for 50 year terms. However, because of construction on Cote de Liesse Road which fronts the property being developed, the company was not able to fully exploit the land during the first year of the lease. Land values in this area have not increased mainly due to difficulty of access. For these reasons, the rental for land leased during the first year of the extension is to remain at the previous level of 6% for the first 25 years. Rentals for the other periods and for land leased in the second year of the extension were negotiated at the higher levels.

of the Privy Council, approved by His Excellency the Governor  
General on the 13th August, 1969.

The Committee of the Privy Council have had  
before them a report from the Minister of Veterans Affairs  
representing:

That subsection (7) of section 36 of the Veterans  
Land Regulations as amended on the 11th of March 1969 pre-  
scribes that the interest rate in effect for Part III of the  
Act is the interest rate prescribed in subsection (1) of  
section 3 of the Farm Credit Act Interest Rates Regulations;

That as of the 27th of February 1969 the Veterans'  
Land Act was amended to delete the interest rate of 5 per  
cent from subsection (1) of section 53 of the Act and on the  
11th of March 1969 the aforesaid subsection (7) of section  
36 of the Regulations was amended, as a result of which the  
interest rate was  $7 \frac{3}{4}$  per cent, since increased on the  
1st April 1969 to 8 per cent;

That on the 28th of October 1968, the maximum avail-  
able under Parts I and III of the Act was approved for the  
settlement of qualified veteran Alfred Leslie Adams Harding  
on a property located at Coronation in the Province of  
Alberta;

That, since all funds for the purchase of property  
under the Veterans' Land Act had been previously committed,  
the said approval was on the basis of a deferred loan with  
expenditures to be made subsequent to the 1st of April 1969;

That subsequent to approval of the loan, and prior  
to the 1st of April 1969, qualified veteran Alfred Leslie  
Adams Harding was moved by his employer to the Red Deer  
Alberta area;

.....2

That the veteran requested that the approval in respect of the property at Coronation be transferred to the property in the Red Deer area;

That had it been possible to provide financial assistance immediately subsequent to the 28th of October 1968, on being transferred to the Red Deer area, pursuant to section 11 of the Veterans' Land Act the veteran could have consented to sale of the Coronation property by The Director, The Veterans' Land Act, with the proceeds being reinvested in the purchase of a property in the Red Deer area, and he would have had an interest rate of 9 per cent as then prescribed; and

That since it was through no fault of the veteran he was unable to proceed with his establishment as approved on the 28th of October 1968, it is deemed that he would be placed in the same position as if it could have then been approved and completed.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to subsection (1) of section 68 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve an interest rate of 5 per cent per annum insofar as it relates to a loan to be advanced pursuant to subsection (1) of section 65 of the Veterans' Land Act to qualified veteran Alfred Leslie Adams Harding, notwithstanding the provisions of subsection (7) of section 36 of the Veterans Land Regulations.

The Committee of the Privy Council have had  
before them a report from the Minister of Veterans  
Affairs representing:

That subsection (7) of section 36 of the Veterans  
Land Regulations prescribes that the interest rate in effect  
for Part III of the Act is the interest rate prescribed in  
subsection (1) of section 3 of the Farm Credit Act Interest  
Rates Regulations;

That as of the 27th of February 1969 the Veterans'  
Land Act was amended to delete the interest rate of 5 per  
cent from subsection (1) of section 68 of the Act, and on  
the 11th of March 1969 subsection (7) of section 36 of the  
Regulations was revoked, and the aforesaid subsection (7)  
substituted therefore, as a result of which the interest rate  
was 7½ per cent, since increased to 8 per cent on the 1st of  
April 1969;

That on the 31st of October 1968, the maximum funds  
available under Parts I and III of the Act were approved for  
the settlement of qualified veteran Aldis Lillian Jones on a  
property located at Brainer, Alberta, being a bare lot, title  
to which the veteran undertook to convey to the Director for  
the nominal consideration of \$1, and requested assistance in  
the construction thereon of a new home;

That since all funds for the purchase of property  
under the Veterans' Land Act had been previously committed,  
the approval was on the basis of a deferred loan, with expen-  
ditures to be made subsequent to the 1st of April 1969, but  
prior to that time qualified veteran Aldis Lillian Jones  
requested a transfer of her loan for the acquisition of a  
property with a suitable dwelling constructed thereon, adjoining  
the bare lot in respect of which the aforesaid loan had  
been approved:

- 2 -

That the adjoining property was being acquired by a qualified veteran under the terms of the Veterans' Land Act and its transfer to veteran Aldis Lillian Jones requested approval on the same basis as that of the original commitment; and

That since a loan had been approved on behalf of qualified veteran Aldis Lillian Jones and since no expenditures were made in respect of that approval and since an adjoining substitute property was considered suitable for the requirements of the veteran and her family it is considered appropriate to transfer the loan from one property to the other on the same terms as originally approved;

The Committee therefore on the recommendation of the Minister of Veterans Affairs, advise that pursuant to subsection (1) of section 48 of the Veterans' Land Act, Your Excellency may be pleased to approve an interest rate of 5 per cent per annum insofar as it relates to a loan to be advanced pursuant to subsection (1) of section 65 of the Veterans' Land Act to qualified veteran Aldis Lillian Jones, notwithstanding the provisions of subsection (7) of section 36 of the Veterans Land Regulations.

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee  
of the Privy Council, approved by His Excellency the Governor  
General on the 13th August, 1969.

The Committee of the Privy Council have had  
before them a report from the Minister of Veterans  
Affairs representing:

That subsection (7) of section 36 of the  
Veterans Land Regulations prescribes that the  
interest in effect for Part III of the Act is the  
interest rate prescribed in subsection (1) of section  
3 of the Farm Credit Act Interest Rates Regulations;

That as of the 27th of February 1969 the  
Veterans' Land Act was amended to delete the interest  
rate of 5 per cent from subsection (1) of section 68  
of the Act and on the 11th of March 1969 the aforesaid  
subsection (7) of section 36 of the Regulations was  
amended, as a result of which the interest rate was  
7½ per cent, since increased on the 1st of April 1969  
to 8 per cent;

That on the 18th of December 1968, qualified  
veteran Frank Theodore Silver applied for the maximum  
financial assistance available under Parts I and III  
of the Act in respect of a property located at St.  
Andrews in the Province of New Brunswick and deposited  
the necessary amount of monies to secure the assistance  
for which he was applying;

That since the Certification of Qualification  
dated the 31st of October 1968, issued at Ottawa, had  
not been received by local officials of the Director,  
The Veterans' Land Act, the financial assistance for  
which the veteran applied could not be approved prior  
to the 27th of February 1969, the date on which the  
Veterans' Land Act was amended to provide the interest  
rate from time to time would be prescribed by Regulation;

That had the Certification of Qualification been available, as it should have been, prior to the 27th of February 1969, qualified veteran Frank Theodore Silver could have been provided a loan under Part III of the Act with interest at the rate of 5 per cent; and

That is was through no fault of qualified veteran Frank Theodore Silver that the loan could not be approved prior to the 27th of February 1969;

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to subsection (1) of section 68 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve an interest rate of 5 per cent per annum insofar as it relates to a loan to be advanced pursuant to subsection (1) of section 65 of the Veterans' Land Act to qualified veteran Frank Theodore Silver, notwithstanding the provisions of subsection (7) of section 36 of the Veterans Land Regulations.

of the Privy Council, approved by His Excellency the Governor  
General on the 13th August, 1969.

The Committee of the Privy Council have had  
before them a report from the Minister of Veterans Affairs  
representing:

That subsection (7) of section 36 of the Veterans  
Land Regulations prescribes that the interest rate in  
effect for Part III of the Act is the interest rate pre-  
scribed in subsection (1) of section 3 of the Farm Credit  
Interest Rates Regulations;

That as of the 27th of February 1969 the Veterans'  
Land Act was amended to delete the interest rate of 5 per  
cent from subsection (1) of section 68 of the Act and on the  
11th of March 1969 the aforesaid subsection (7) of section  
36 of the Regulations was amended, as a result of which the  
interest rate was 7 3/4 per cent, since increased on the  
1st of April 1969 to 8 per cent;

That in 1965 veteran Glen Atter Mitchell was  
qualified to participate in the benefits of the Veterans'  
Land Act, as a commercial fisherman and expressed the desire  
to construct a new home on a lot which he owned privately,  
located at Wilson's Beach in the Province of New Brunswick;

That, subsequently, in December 1968 he located a  
property in the same general area which was considered  
suitable for the requirements of himself and his family and  
requested that the Director provide financial assistance  
under Parts I and III of the Act for its acquisition;

That on the 20th of January 1969, purchase of the  
property at Wilson's Beach from Dorothy L. Brown was approved  
and a legal agent appointed by the Department of Justice was  
directed to acquire, in the name of The Director, The Veterans'  
Land Act, a good and marketable title to the property;

That the said legal agent subsequently reported there was a defect in title which could only be cleared by a court order and the vendor was not prepared to take appropriate action in this connection;

That inasmuch as the Brown property cannot be acquired by the Director, the veteran requests the financial assistance already approved be used to assist in construction of a new home on the lot which he owns, title to which he undertakes to convey to the Director for the nominal consideration of \$1;

That an approval of financial assistance in respect of the lot owned by Mitchell on which he would like to be settled under the Act would involve interest on the funds to be advanced under Part III at the current rate of 8 per cent; and

That inasmuch as a loan was approved on behalf of the veteran prior to the date interest under Part III of the Act was changed and inasmuch as it is through no fault of the veteran he is denied the benefit of the loan as approved on the 20th of January 1969, it is deemed advisable to permit his settlement in a new home on the lot he privately owns on the same terms and condition if he had proceeded with establishment thereon prior to the 27th of February 1969.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to subsection (1) of section 68 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve an interest rate of 5 per cent per annum insofar as it relates to a loan to be advanced pursuant to subsection (1) of section 65 of the Veterans' Land Act to qualified veteran Glen Atter Mitchell notwithstanding the provisions of subsection (7) of section 36 of the Veterans Land Regulations.
